

Dear customer,

Welcome at our studio. We are very happy to be at your service again.

Because of the current Corona situation we'll be working a bit different than you are used to.

This means the following:

You arrive at the agreed time and alone to the studio.

We don't shake hands but we'll welcome you with a smile.

We request you to disinfect your hands after entering the studio.

Preferably use the toilet at home.

Touch as little as possible in the studio and keep the 1 1/2 meter distance to others.

Make sure you eat and drink well before the appointment.

Would you go through this checklist before your appointment ?

- 1 Do you have Corona ?
- 2 Do you have roommates or family members living in the same house with Corona ?
- 3 Are you cured of Corona, shorter than 2 weeks ago ?
- 4 Do you have 1 or more of the following symptoms: cold, sneezing, coughing, throat ache, short of breath or fever (higher than 38 degrees) ?
- 5 Do you have roommates or family members living in the same house with 1 or more of these symptoms ?
- 6 Are you in home isolation ?

Is there a "yes" on 1 of these questions ?

Then we request you to reschedule the appointment.

Are all answers "no" ? Then 1 more question:

Are you healthy and do you feel healthy at this moment ?

If the answer is "yes", your appointment can go through.

If not, please let us know, asap.

we'll plan a new appointment.

Normally we use a cancelling period of 48 hours before the appointment. but if you show any Corona symptom on the day of your appointment this doesn't apply. Just cancel your appointment !

Kind regards,

Sakura Tattoo crew
